# WorkForce Pro WF-3720DWF

Space-saving and affordable 4-in-1 for business-quality printing with Wi-Fi, Wi-Fi Direct and fast double-sided printing

Looking for a space-saving, cost-effective, yet advanced printer? The WF-3720DWF is a great choice for home offices or small businesses. It packs in lots of features including fast double-sided printing, a high-capacity paper tray and a 6.8cm touchscreen. It's easy to use too with NFC[1], Wi-Fi, Wi-Fi Direct and Epson's free mobile printing apps[2].

Style and substance
With its modern design, the compact WF-3720DWF is a great fit for the home or office. Its stylish and sleek design is complemented by a 6.8cm touchscreen.

Business quality
Even at high speeds, this 4-in-1 printer produces top quality, laser-like prints thanks to Epson's most advanced printhead technology, PrecisionCore. The WF-3720DWF is designed for business with double-sided printing, a 35 page automatic document feeder and 250 sheet paper tray. It also supports advanced Scan-to functions including Scan-to: Email, Cloud, FTP and Network.
Low running costs
Achieve professional, crisp and clear business documents that are water, smudge and highlighter resistant, with Epson's DURABrite Ultra Ink. Offering great value, the inks are supplied individually, so you only ever have to replace the colour used. Plus, with XL cartridges you can print up to three times more pages[3] - that equates to 1,100 black and 950 colour pages[4].

Print from anywhere
From your home or office, there's the option to use Wi-Fi connectivity or Wi-Fi Direct for printing from compatible wireless devices without a Wi-Fi network. You can also print via NFC with a simple tap of a compatible Android device on the printer[1]. And there's Epson's free mobile printing apps and solutions including Email print, which allows you to send items to print from almost anywhere in the world[2].
